are you preparing to take your driver s exam in saskatchewan one of the best ways to ensure success is by taking practice tests we offer a variety of practice tests with 100 bonus review quizzes to help you prepare for the real thing what is the sgi practice test the sgi practice tests allow you to test your knowledge of the rules of the road and traffic signs the tests are designed to mimic the format of the actual driver s exam so you can get a good idea of what to expect on the day of your test the practice tests are available for both class 7 and class 5 learners this test is

required for individuals who want to obtain their class 7 or class 5 learner's licence which allows them to begin learning to drive on public roads under the supervision of a licensed driver. What do the SGI practice tests cover? The practice test covers a wide range of topics including rules of the road (this includes traffic signs, signals, and pavement markings), defensive driving (this covers how to anticipate and respond to hazards on the road), speed and space management (this covers how to maintain a safe following distance and how to adjust your speed to road conditions), sharing the road (this covers how to safely interact with other road users such as pedestrians and bicyclists). How can the SGI practice test help you pass your driver's exam? The SGI practice tests are a great way to prepare for your driver's exam by taking our practice tests, you can get a feel for the format of the exam. The practice test is designed to mimic the format of the actual driver's exam so you'll know what to expect on the day of your test. Test your knowledge: the practice test will help you identify any areas where you need to improve your knowledge of the rules of the road and traffic signs. Build confidence by taking the practice test and doing well; you'll feel more confident on the day of your test. Taking the SGI practice test is an excellent way to prepare for your driver's exam by testing your knowledge of the rules of the road and traffic signs. You can identify areas where you need to improve and build confidence for your exam. Remember to also consider taking professional driving lessons and practicing on real roads as well as taking the practice tests. Preparing for the Saskatchewan SGI test: a guide to the class 7 and class 5 knowledge exams. Obtain a class 7 or class 5 learner's licence once you have passed the knowledge test and vision test; you will be issued a class 7 or class 5 learner's licence which allows you to begin learning to drive on public roads under the supervision of a licensed driver. Meet the practice requirements in order to qualify for a class 5 basic licence: you must hold a class 7 learner's licence for at least 9 months and have completed a minimum of 60 hours of practice, including 10 hours of night driving. Pass the class 5 road test once you have met the practice requirements; you can schedule a class 5 road test. You must pass the road test to be issued a class 5 basic licence which allows you to drive independently. Take a closer look at the format of the SGI test and get some tips on how to prepare for it. Understanding the SGI test format: the SGI test is a multiple choice exam that covers a wide range of topics related to driving in Saskatchewan. The test is divided into two sections: rules of the road (this section covers traffic signs, signals, and pavement markings as well as the rules for safely navigating the road) and defensive driving (this section covers how to anticipate and respond to hazards on the road). The class 7 learner's licence knowledge test consists of 30 questions and must be completed within 20 minutes; a passing grade is 80 or higher. The class 5 basic licence knowledge test consists of 40 questions and must be completed within 30 minutes; a passing grade is 80 or higher.
